Tuition/Payment Information

Please outline below whom is responsible for payment of tuition and fees. Please fill out if parents are divorced and split tuition payments or if tuition payment is the responsibility of an adult other than the parents listed above. Anyone with responsibility for payment is required to complete a full registration form. All tuition payments are done by automatic payments through either a credit/deb card or a checking account (EFT). Billing and collections occur each Monday. Automatic payment forms are attached. Returned payments will incur a \$25.00 fee. Field trips and/or special activities might incur an additional fee in advance if you want your child(ren) to participate.	
Tuition is due each Monday for the current week's childcare. Payments received after Friday will be assessed a \$10.00 late fee each day up to 10 days after the due date. After 10 days of no payment,	
children will not be allowed to return to Ten Mile Academy until tuition has been paid in full. Tuition is not based on your child's attendance, but rather on the space held for your child. Childcare tuition will not be adjusted for holidays, late arrivals, early pick-ups or missed days. If your account remains unpaid in full beyond 30 days, we reserve the right to turn over the account to a collections company with the appropriate fees applied.	
I have read and understand the tuition payment and collection policy.

Vacation

After three months at Ten Mile Academy, full-time families will receive two weeks (10 days) of vacation and part-time families receive one week (5 days) of vacation per calendar year. Vacation time must be submitted at least two weeks in advance and must be used one week at a time. Unused vacation time does not roll over from year to year.

I understand Ten Mile Academy infant feeding policy. We are supporters of breast feeding and mothers are welcome to come breastfeed during infant feeding times. If a mother cannot come breastfeed in person, we encourage parents to bring labeled breast milk so we can feed your baby by bottle when you are not available. This means that infants must be able to feed from a bottle prior to enrollment.
I have received and read the parent handbook and agree to follow the policies above.

Idaho STARS Steps to Quality Parent/Guardian Consent Form
Ten Mile Academy is participating in the IdahoSTARS Quality Rating and Improvement System know as Steps to Quality in an effort to demonstrate our commitment to providing your child with high quality early care and education. Steps to Quality is a building block system, meaning each step is verified through documentation and observation of quality practices during verification visits.
During verification visits, assessors may be conducting the following activities to ensure that quality indicators are in place:
 Observing the childcare environment to learn about the materials, activities, and experience available to support young children Interviewing teachers and directors about how they use quality practices to support young children and their families enrolled in our childcare program Reviewing program files and documentation to learn how our program's policies and procedures support health, safety, partnerships with families, and children's development Reviewing child files to see how the program supports and plans for individual children
We would appreciate your permission to share any necessary documents that may pertain to your child during our Steps to Quality verification visit. No documents being reviewed for verification will be collected. Please indicate your decision below:
() My child's file may be reviewed as part of the Steps to Quality verification process
